

Course „Academic Publishing“

Academic publishing includes master thesis writing, Ph.D. thesis writing, research paper writing, scientific poster, and oral presentation. For all these publishing types scientific writing is essential. Thus this course will introduce you to effective writing, formatting, organization of a scientific writing process, the publication process. Besides theory, the presentations include tips and a lot of examples. Also the aspects of citation and plagiarism, authorship will be discussed. The course includes an exercise on finding the right journal for publishing your data.
